

Change to Brand Mark on Switches

Type of Change:

- Engineering
- Part Number
- Product
- Appearance

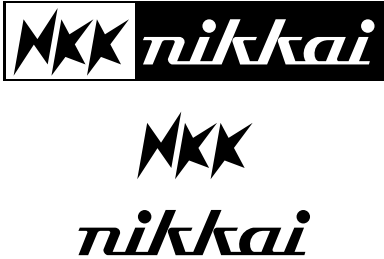

Sample Product Images with New Brand Marks

In April 2009, NKK Switches introduced a new global brand logo. Starting with the April 2010 production, all NKK products will be marked with the new logo.

This change will affect the following products:

All NKK products, including custom products

Change of Brand Mark	
Before Change	After Change
	

Effective Change Period

Change will be effective starting with April 2010 production. Timing for different products will vary.
